Transportation	<input type="checkbox"/> Pick up by parent <input type="checkbox"/> Student travels by him/herself <input type="checkbox"/> Others (Please specify):			

Please make your check payable to : ABCMath

# ABCMath Terms and Conditions

**1. Refunds.** Students may make a written application for a refund of the registered course, no later than the date following the commencement of the second week of the course. ABCMath will process a prorated refund for a course, subject to deductions from paid monies equivalent to the sum of (I) a \$200 registration fee; and (II) \$90 multiplied by the number of classes attended by the student (if applicable). Following the second week of the course, no refund or course credit transfer will be provided for the termination of the course.

No refunds will be provided for student's inability to attend class arising from his own vacation plans. The student must provide ABCMath with 7 days notice of any such vacation plans in order to facilitate ABCMath to set aside and provide the course materials to the student.

**2. Photograph Release.** Occasionally ABCMath may take photos of students or teachers while they are here, for decorative and or publication purposes. The same photos may or may not be used in posters or newspaper advertisements. You agree to release these photos and allow your son or daughter to appear in them. If not, you must let ABCMath know immediately.

**3. Behavior.** ABCMath reserves the right to turn away your son or daughter at any point in the term if he or she cannot behave well in class. This is a learning environment, and if said environment is disturbed, it is detrimental to the rest of the students. If this occurs, tuition for all remaining classes will be wholly refunded.

**4. Lost Items.** ABCMath holds no responsibility for lost possessions. Your son or daughter holds sole responsibility for whatever he or she brings to ABCMath.

**5. Non-Tax Deductible.**

**I would like my child to be enrolled in the ABCMath Academy program.**

**I have read and agree with Terms and Conditions on the reverse and above side or attached of this application form.**
